# Network Benefits Employee Discount Scheme

*Network Benefits is a customisable online employee discount scheme providing access to a wide range of discounts and offers.*

# Introducing Network Benefits

## What is Network Benefits?

Network Benefits is an online employee discount scheme providing access to hundreds of discounts and lifestyle offers. Everybody likes to save money, and with Network Benefits, you can help your employees to stretch their family income that little bit further. With offers ranging from eating out and high street retail, to travel, finance and wellbeing, there's something to suit everyone.

## Why Network Benefits?

Network Benefits gives your employees access to corporate discounts and exclusive offers they could not find elsewhere, helping to increase their overall remuneration package, and stimulating engagement and satisfaction at very little cost to your organisation.

## The options available

Network Benefits is available in two formats: Network Benefits and Network Benefits Plus. Network Benefits is the standard site, ready to launch immediately and regularly updated with new offers, savings and discounts. If you wish to customise the site to reflect your own brand, you can upgrade to Network Benefits Plus. This allows you to customise the site with your company's logo and corporate colours, as well as a specific section to promote your existing employee benefits.

# How Network Benefits works

Network Benefits is ready to launch as soon as you are, or alternatively, you could have a Network Benefits Plus site designed to your own brand guidelines within just 14 days.

## Network Benefits

Network Benefits is ready to launch as soon as you are, and your employees can access the site immediately with your individual access code

## Launch process

Marketing material is produced to meet your requirements: letters, flyers, emails and posters, all including your individual access code

Employees log on and set up their free personal account and preferences

Employees can access the full range of discounts and savings 24/7

Employees receive regular email newsletters\*\*

You receive regular usage information

## Network Benefits Plus

You supply your logo, corporate colours, and details of any existing benefits you wish to include

BHSF builds your customised site within 14 days

The site is launched following your approval

\* You will be issued with an access code specific to your organisation, which will need to be used when employees log on for the first time. Employees will be asked to set up their own secure username and password, which they will use to log on each time thereafter.

\*\* Employees can choose to opt-out from receiving the regular email updates.

//

*BHSF clearly stood out on value and of course we know their customer service to be good from previous experience. Our staff can now conveniently and easily access hundreds of employee benefits at the click of a mouse, allowing the company to communicate new offers to the whole workforce in a consistent manner.*

*Client HR Manager*

//

*In the past we have paid about £300 for a four night stay for the four of us. **Network Benefits enabled us to have a seven night stay, top accommodation, half board** which included all our breakfasts and three-course evening meals every day as well as £50 cash when we got there - all for just £399. What a bargain!*

*Network Benefits member*

//

*This year my car insurance quote increased significantly, so I decided to look around to find a better deal. **With Network Benefits I was able to get a quote that was £100 cheaper than my renewal and would reduce my excess by £430** – the service was quick and effective. I would recommend it to anyone.*

## How else can BHSF help you?

### Benefits Booklets

BHSF's Benefits Booklets contain a range of BHSF products, additional schemes and benefit packages. Benefits Booklets can be produced with a branded cover or be totally bespoke, depending on your requirements.

### Group Life Assurance

A community-rated approach to death in service benefit providing a no-fuss administration process and real value for money for the employer.

### Flexsme

Flexsme is BHSF's low-cost online employee benefits system designed within a secure framework to serve the needs of the HR department, payroll department and most of all the employees themselves.

### Salary sacrifice

BHSF is able to help with setting up salary sacrifice schemes such as childcare vouchers, cycle-to-work programmes and other initiatives.

### Employee Assistance Programme

Employee Assistance Programmes (EAPs) provide an early source of practical and emotional support for employees facing issues in their home or work life, assisting employers with their duty of care.

### Health cash plans

The health cash plan enables employees to receive cash payments towards everyday healthcare costs, from 'off-the-shelf' voluntary or employer-funded cash plans to tailored corporate cash plans that reflect your company's needs.

### Occupational health services

BHSF provides contract and stand-alone occupational health services. Through instant access to its occupational health telephone helpline, BHSF can support HR and line-managers, giving them instant advice and access to a range of 'menu' services.

### Health screening

BHSF can supply a range of on-site health screening options, which give an in-depth analysis of employee health and wellbeing. BHSF can support on-site programmes for any size organisation.

### Network Benefits

Network Benefits is an online service offering retail discounts, entertainment offers, family days out and much more. In these days where giving extra salary can prove difficult, helping the employee's pay packet go further is the next best thing.

### Insurance services

BHSF also offers Plan4Life Cancer Cover, Care4 life insurance, travel insurance, personal accident insurance and pet insurance. For further information about any of these services please call BHSF today.
